

**DEB Notice 032921**  
( Effective: 03/29/2021 )

## **Supplemental General Conditions Requiring Project Labor Agreements**

---

**I. Purpose of this Notice:**

To inform State Agencies of the availability of Form DGS-30-379, *Supplemental General Conditions Requiring Project Labor Agreements*. When included in the Contract Documents, this form requires Contractors and Subcontractors to adhere to project labor agreements.

**II. Addition to DGS Forms Center:**

Form DGS-30-379, *Supplemental General Conditions Requiring Project Labor Agreements*, has been added to the DGS Forms Center, and is available to download for inclusion in the Contract Documents.

**III. Applicability:**

Effective May 1, 2021, the Code of Virginia § 2.2-4321.2 permits Public Bodies to require Project Labor Agreements in their contracts. If an agency wishes to require Public Labor Agreements, this form may be included in a project's construction documents to modify the various forms of the Commonwealth of Virginia General Conditions of the Construction Contracts, (CO-7 series), at the request of the Agency and after approval by the Director of the Virginia Division of Engineering & Buildings.
